

2008 - 2009

MATHEMATICS COLLOQUIUM SERIES
UNIVERSITY OF CENTRAL FLORIDA

Dr. Wu Jing
Department of Mathematics & Computer Science
Fayetteville State University

Will speak on

"Local Actions of Derivations on Operator Algebras"

Abstract:

In this talk we will discuss the local actions of derivations on operator algebras. We will mainly focus on local derivations, all-derivable points, and Jordan all-derivable points.

Date: Thursday, April 9, 2009

Time: 11:30 AM

Place: MAP 318

Everyone is cordially requested to attend.
