

Pizza Party!

COME LEARN ABOUT THE GAUSS Project !

GAUSS is a research program in the Computational Science Training for Undergraduates in Mathematical Sciences (CSUMS) funded by the National Science Foundation. It is a yearlong program, each student selected to participate will be paid a stipend plus a personal computer and additional summer support for room and board.

**An information meeting (plus pizza party) is scheduled on
November 6 (Friday) at 1:30-2:30 in MAP 233.**

Please join us and find out more on the GAUSS project.

If you have any questions, please contact: shah@math.ucf.edu or xli@math.ucf.edu
