QUIZZES: Sometimes I will give in class pop-quizzes that will not be announced. They may count as extra credit. You may not re-take a quiz unless you have an official reason.

TESTS: There will be two in class tests and one final exam which will be comprehensive. If you miss an exam, it is your responsibility to immediately contact me. Make-up tests are at my discretion and in general may be more difficult. Make-up tests or quizzes will be given only for valid reasons which must be officially documented. Graphing calculators are **NOT** allowed on the tests or quizzes.
