Attendance:	Please observe common rules of courtesy. Once inside the classroom, you should turn off all cell-phones and pagers and not use them during class. You should plan on staying for the entire 50-minutes. Attendance will be taken!
Quizzes:	Typically, you will take a short quiz during your discussion class. They will be similar to the exercise questions at the end of each section in the book and the online assignments. TYPICALLY, MAKE-UP QUIZZES WILL NOT BE GIVEN IN THIS CLASS. (Any exceptions must be arranged by contacting Ms. Muhs) The discussion quiz average will constitute 15% of your course grade.
Calculator:	You may use a Texas Instruments TI-30XA calculator on quizzes. You may not use any other type or model calculator in this course. Use of an unauthorized calculator will result in a grade of zero and possible disciplinary action. Sharing calculators during quizzes is not allowed.
Course Policies:	Please refer to the lecture syllabus for complete course policies.
