Homework: [Homework Problems](#) are posted on this webpage. Students are expected to do all of these problems. While no homework

will be collected, weekly quizzes are designed to check students' progress on their homework.

Quiz: Except **August 23** and **November 22**, there is a 15-minute closed-book quiz on **EACH Thursday**. The problems on the quizzes are selected **exactly** from assigned [Homework Problems](#), and all possible problems for each [Quiz](#) will be posted on this webpage on Tuesday. There will be totally **13** quizzes, but only the **Best 10** are counted for the course grade. **NO MAKE-UP QUIZZES WILL BE GIVEN.**

Exam: There will be three tests and one final. The materials covered by each [Test](#) will be posted on this webpage a week in advance, and the final exam will be comprehensive. **NO MAKE-UP TESTS WILL BE GIVEN.**

Formula Sheets: Limited formula sheets are allowed during tests and final exam.
NOTE: The formula sheets can only contain definitions, theorems and formulas.

Percentage of Grades:	Quiz	Test 1	Test 2	Test 3	Final
	20%	15%	15%	15%	35%

NOTE: The conversion of a numerical grade into a letter grade is done after each test or exam, and will be announced at this webpage.
The final course grade uses plus/minus system.
