Spring Break: March 13-18

Prerequisites: MAC 4226 or C.I.

By University policy, students may make up missed quizzes, tests, and exams in the case of illness, family emergency, religious holidays, or official university activity. In order to have a make-up, students must present me with written documentation of the absence; if approved, a make-up will be given no later than two weekdays after your return to class. As a matter of courtesy, if you expect to miss an exam, please tell me beforehand. Alternatively, in the case of approved absences only and by approval of the instructor, a student may elect to have that score replaced by the final exam score. For unapproved absences, a score of zero will be entered in the gradebook.

Each student **MUST** take the final exam at the scheduled date and time. Students who do not take the final exam will receive an F for the course.
