Office Phone:	
Email:	dbaxleyucf@yahoo.com
Class Location:	MAP 405
Class Meeting Day and Time:	Tuesday 10:30-11:20
Attendance:	Please observe common rules of courtesy. Once inside the classroom, you should turn off all cell-phones and pagers and not use them during class. You should plan on staying for the entire 50-minutes. NO MAKE-UP QUIZZES WILL BE GIVEN IN THIS CLASS. (Exceptions may be made for official University sanctioned absences but must be arranged through the professor.) Attendance will be taken!
Quizzes:	Typically, you will take a short quiz during your Tuesday or Thursday discussion class. They will be similar to the exercise questions at the end of each section in the book and the online assignments. The discussion quiz average will constitute 15% of your course grade.
Calculator:	You may use a Texas Instruments TI-30XA calculator on quizzes. You may not use any other type or model calculator in this course. Use of an unauthorized calculator will result in a grade of zero and possible disciplinary action. Sharing calculators during quizzes is not allowed.
Course Policies:	Please refer to the lecture syllabus for complete course policies.
