Office: MAP 350B

Phone: 407-823-1215

Email: konate@mail.ucf.edu

Office Hours:M:1030-1130 T:0900-1000 W:1030-1130

Textbook: Technical Calculus with Analytic Geometry four edition by Peter Kuhfittig

Calculator: A non-graphing calculator. Anyone caught utilizing a graphing calculator during an exam or a quiz will simply receive a zero for that particular test.

Quizzes: There will be weekly quizzes which will account for 20% of your final grade. The lowest quiz will be dropped. **There will be no make up quizzes!**

Exams: There will be four exams (100 points each) roughly at the end of each chapter and a mandatory comprehensive final examination(100 points). The exams and the final examination will contribute 80% towards your final grade. **Note that there will be absolutely no make up exams unless there are documented circumstances.**

Grade Policy:

A : 90%-100% B: 80%-89% C :70%-79% F: Below 69% NC if you qualify

NC: The NC (No Credit) is awarded at the instructor's discretion. You **must** take all tests,all quizzes, and the final examination.

Attendance: It is strongly recommended that you attend all lectures. Due to the NC policy, attendance will be taken.

Cheating: Anyone caught cheating will automatically receive a grade of F for the course.

Extra Help: The Math Lab located in MAP 113 is available free of charge to all students enrolled in the course.

Final Examination:

MAC 2253 TR 0730-0845 :Thursday. April 24th, 2008 0700-0950

Note: The syllabus is subject to change at the discretion of the instructor. The instructor will frequently utilized UCF's e-community as a mean of correspondence. **Update your email addresses!**
